We sat on the front porch step Too angry to go to bed  
Splitting the last three beers that we had left in the fridge  
 Don't try to kiss me yet 'Cause I ain't over it What-  
ever you do, don't make me laugh 'Cause you ain't gonna win

|| 4 | 5 | 1 | 5/3 | 4 ||  
 Then your knee touches mine And I can't help but smile

||: 4 | 5 | 1 | 5/3 | 6m :||3x  
Still making the long drive Still working overtime  
Still lying by your side Even in the great di - vide  
Still staying up all night Holding on just to make it right Still  
 | 4 | 5 ||  
Fighting the good fight

|| 1(intro) | 4 | 6m | 5 ||

||: 1 | 4 | 6m | 5 :||  
 So easy to fall in love So easy to let it go  
So easy to give it up, pack it in, and quit the show

|| 4 | 5 | 1 | 5/3 | 4 ||  
 Ain't nothing easy about us, babe Stubborn is as stubborn does

**(Repeat Chorus)**

||: 1(intro) | 4 | 6m | 5 :||  
 Still fighting the good fight

||: 4 | 5 | 1 | 5/3 | 6m :||3x  
Still making me crazy Still calling me baby  
Still lying by your side Even in the great di - vide  
Still staying up all night Holding on till we make it right Still  
 | 4 | 5 ||  
Fighting the good fight

||: 1(intro) | 4 | 6m | 5 :|| 1(end) ||  
Still fighting the good fight
